RACE DAY RULES

- The Stockton Motorplex Park rules are in addition to the current IKF Rule Book under the General, Sprint and Shifter Sprint categories.
- No bikes or scooters in the pits.
- A current IKF Rulebook must be in your pit at all times.
- A fully charged fire extinguisher must be in your pit .
- A drip tray or carpet square must be used in your pits.
- At least one (1) parent must be present for a minor to participate.
- Please do not send your minor child/children to register themselves into a race/s, one or more parents must accompany them.
- All dogs will be on short leashes at all times. Owners of any dogs not on a leash will be asked to remove their dog from the premises.
- All lead weights are required to be painted or taped white.
- All drivers are required to attend the drivers meeting. We will be doing random roll calls at the beginning of the Drivers Meeting, those not present will be penalized two (2) positions in the Main Event. Please be Responsible and be on time!
- Drivers will be responsible for the actions of their pit crews and families. Drivers will be disqualified if their pit crew or family members are involved in any altercations.
- A Race Directors decision is final and may not be protested.
- All racers and their pit crews are responsible for cleaning up their pit spot before leaving.
- Reserved pit squares are for race days and the previous day for set-up and testing.
- A birth certificate (copy) of all minor racers will be required to be left in the Registration Office.
- All adult racers must provide us with a copy of their driver's license.
- No Pit Crew or Spectator will be permitted on the racing surface during a race. If someone other than the racer enters the racing surface their driver will be disqualified. The track staff and the Paramedics will handle each red flag situation. In case of red flag situation, one parent or spouse will be allowed on the track only after the Race Director deems it is safe. One mechanic, per kart, will be permitted to enter the race surface for red flag restarts only.
- Any unacceptable gestures, yelling at any track official or track worker will result in an immediate suspension from the track.
- During a race, if you kill your engine with the exception of Electric Start Karts or get out of your seat you may "NOT" re-enter the race. This is considered a DNF.
- No scrubbing or warming of tires on the track or grid area this includes Kid Karts.
- Number panels.... All karts will run White Panels/Black Numbers. Novice drivers will run an Orange Rear Panel with a Black "X" for at least three (3) races and will grid in the rear of all heats and mains. Orange Panel must run for twelve (12) consecutive months
- No entry fees will be refunded once you have entered the track for a heat or the main. If your kart breaks in practice, a race credit will be given for the current race season.
- You will be entitled to one (1) throwaway race; this excludes any race in which you were disqualified.
- Three (3) karts or more make up a class. If we run a race with less than (three) 3 karts, points will not be awarded towards the championship.
- Stockton Motorplex Park Members will have kart number priority over non-members. Non-members will be asked to change their numbers on race days. Members requesting the same kart number in the same class will be decided by membership seniority.
