**The SMRRC conducts amateur racing events on closed courses only.
Please read the following, sign, date and return to the address below.**

No rider under the age of 18 may compete without the written consent of a parent or legal guardian. Each rider/member is responsible for the behavior and actions of any persons, either family or crew, accompanying him/her. Any punitive action required as a result of actions by family or crew will be levied against the rider. The SMRRC and its Supporting Trade Members, Affiliates, Track Owners and Volunteers cannot be held responsible for any injuries or otherwise of its members or non-members while they are participating in a SMRRC sanctioned event. Remember, racing can be dangerous and you do so at your own risk. All racers and non-racers (i.e. those persons accompanying a SMRRC member), must sign a release waiver before entering the race track grounds and/or pit areas. It is the responsibility of every rider to inform race officials of any rider's medical condition, which may be worsened by participation at a particular event. Children, other than a participant, are allowed in the paddock area but must be controlled at all times by a responsible adult. Proper compliance is at the sole judgement of the race director. When members are at a sanctioned event, they are expected to provide a Fire Extinguisher with a minimum recharge rating of 5BC and current tags and a catch pan or suitable drop cloth for catching solvents, oil or gas. These general requirements are for your' as well as other's safety and will be enforced. All entries must be signed by the individual rider who plans to compete and no rider may practice or compete without properly registering.

The undersigned acknowledges these facts and fully understands and agrees to the terms set forth.
